Quality & Safety First

As an industry leading company, we produce the best products in terms of design as well as quality to our clients at a rate of over 1.5 million units a year. We are committed to making sure all of the thousands of products per week we produce meet the highest standards for safety and quality.

BrandCharger is among the first to achieve 'Product Safety Aware' status in the Promotional Products Association International (PPAI, UNITED STATES) Product Safety Awareness Program.

Certified sustainability

Climate action starts at the source of the materials we choose. Brandcharger is offering RCS certified recycled materials. The Recycled Claim Standard (RCS) is a international, voluntary standard that set requirements for third-party certification of recycled input and chain of custody. The shared goal of the standards is to increase the use of recycled materials.

A multiple award winning company

Over the past 13 years, we have established ourselves as a formidable presence in the Corporate Gift Industry, winning 36 industry awards and receiving numerous global nominations.

Each accolade fuels our passion to innovate and deliver beautiful products that set the standard in our industry.

Vortex Vita Eco

Sustainable ♻️ luxury vacuum bottle

Vita Eco: Discover elegance and environmental responsibility intertwined in our exquisite vacuum bottle. The Vita Eco, sculpted from recycled 304 stainless steel, is a testament to beauty and sustainability.

Inspired by the mesmerizing patterns of the ocean vortex, its design captivates the eye, embodying luxury in every curve. But the allure of Vita Eco transcends its appearance. The true essence of luxury unfolds in the user experience—the tactile sensation of the cap as it opens and closes is a delight to the senses, a smooth and satisfying interaction that echoes the quality of the bottle itself.

Every touch, every use, every moment with the Vita Eco is an indulgence in pure luxury—a luxury that respects the planet and elevates your daily hydration to an art form.

Size: 7.5 Ø x 22 cm (2.95 x 8.7 inch).

Easy-to-carry handle

The ergonomic shape and rotating handle make it easy to hold while on the go.

MADE FROM
RECYCLED
STAINLESS STEEL

Recycled 304/304 Stainless Steel, BPA-free

Built to craftsman precision using food grade 304/304 recycled stainless steel means it will perform and look great for years.

Corrosion Proof

Protected by corrosion-resistant chromium oxide film on the steel surface. If it is damaged in any way, this film regenerates itself.

Vortex Athletica Eco

Sustainable luxury Sport Water Bottle

Vortex Athletica Eco: the epitome of sustainable luxury in sport water bottles. Engineered for peak performance, it features a sleek vortex inspired design that accentuates the eclectic materials used. Made from high-quality single walled recycled 18/8 stainless steel, Vortex Athletica Eco is not only robust, but also a true lightweight at only 238g.

The lid is designed for functionality and hygiene. It can be completely disassembled for easy cleaning. The durable carrying strap is flexible and adapts to individual needs.

Every piece of this stainless steel flask is dishwasher safe.

Size: 8.2 x 26.2 cm (3.2 x 10.3 inch).

Vortex Calix Ceramica Eco

Sustainable ♻️ luxury ceramic tumbler

Discover the pinnacle of eco-luxury with the Calix Ceramica Eco tumbler. Meticulously crafted from recycled stainless steel and adorned with a pristine ceramic inside coating, this tumbler is a testament to both quality and environmental stewardship.

Indulge in the purest flavors of your favorite coffees and teas, thanks to the ceramic coating. Odorless, durable, and a breeze to clean—your Calix Ceramica Eco ensures that every sip is as perfect as nature intended.

The Tritan screw-on, leak-proof lid features an ergonomic shape and secure screw cap, ensuring a perfect grip for comfortably sipping your favorite beverage while on the go. Tritan is known for its durability, clarity, and resistance to stains and odors. Its shatter-resistant nature and ability to withstand high temperatures make it the ideal material for our luxury drinkware.

For added convenience, the cap includes a carrier loop. This thoughtful detail allows for the attachment of a crossbody carrying belt (optional item), offering a hands-free experience as you carry your favorite drink with you.

Step into a greener future with the Calix Ceramica Eco tumbler—where elegance, functionality, and sustainability converge.

Size: 8 Ø x 14.5 cm (3.1 x 5.7 inch).

Lumie

This cool gadget turns your phone's camera flash into a bright lightbulb.

Most smartphone camera flashes are decent flashlights, but it's incredibly bright and can be a little harsh on the eyes. Lumie turns your smartphone's flash light into a comfortable, bright light bulb functioning as: reading-light, nightlight, emergency light, camping light etc.

The foldable silicon lamp design makes Lumie portable and can be easily stored while you're traveling. It's easy to install on most smartphones, and even easier to remove when you need to take a call.

Now that's a bright idea!

Size: 73 x 39 x 23 mm Logo Size: 20 x 30 mm

How to brand?
